Dear Dr. Bedan:

We have received your request that the Environmental Protection Agency (EPA) waive the current Memorandum of Agreement provision for issuing public notice. We will issue the public notice on closure for Sporlan Valve Company. The closure comment period will be concurrent with the 45-day termination of Interim Status comment period. We request that you respond to any questions or comments regarding to closure plan and conduct hearings, if necessary.

We plan to initiate the comment periods on January 2, 1985, with a legal notice in the St. Louis Post Dispatch.

Should you have any questions concerning these matters, please address them to Betti Harris of my staff. She may be contacted at (816) 374-6534.

Sincerely yours,
